TECH TIP FROM DWIGHT

Brakes don't work when the car is upside down.
Paul Newman

Watch this space next month for another helpful tip from Dwight.

MARCH MINUTES

The March 6th meeting was called to order by P.E. Mark Richlen. The minutes of the previous meeting were read & approved. The treasurer reported a balance of \$80.81.

OLD BUSINESS: Dwight Gilliland reported that two cars are lined up for the car show on the 15th, 16th, & 17th. Kurt Schulz volunteered a V.C.R. to show tapes.

Dale Dinsmore gave us a tentative schedule of events as follows: Rallye on April 13th; Rallye Against Pain, June 8th; Wheels on the Yellowstone, July 13th; and Black Otter Hill Climb, July 19th & 20th. Definite locations need to be confirmed. The Corvette Club will have an open Auto Cross July 26th.

Bob Hayes volunteered to head a committee to help the Club's cash flow. He'll do a poster for us.

NEW BUSINESS: Char Schulz volunteered to head up the newsletter crew. Lance Pedersen will assist. Mark Richlen will do the copying.

A motion was passed to hold the April meeting at Cellar 301, but we're still keeping our eyes open for an alternative.

HILL CLIMB: Dwight Gilliland will be Hill Marshall, with Bob Hayes and Bill Schaff as assistants.

A man will be in Blgs. the first part of April to inspect the Hill & hold a safety school. As of that school, three people will be licensed to be stewards.

Ad contracts have been printed up at a cost of \$61.60. Donna Hager will be ad coordinator. Ad sales start immediately. Contracts may be obtained from Hagers, Gillilands, or Schulz's. Ad prices will be the same as S.C.C.M. last year. Permission letters will be started soon. New requirements for cars and drivers are as follows:

Roll bars on all cars.
Fire extinguisher.
Seat belt & shoulder harness.
Driving suit.

Mark Richlen will be checking into possible trophy sponsorship.

With no further business, the meeting was adjourned.

LAW

FROM OUR R.E.

For many of us, belonging to a local SCCA Region is a new experience. Our motives for joining are varied; some are long time SCCA members transferring to a local region; some may feel it a necessity to continue racing and for others, other reasons.

Although being a SCCA Region has brought changes to the conduct of Black Otter and to street autocrossing, it has also presented us with opportunities. We should be able to use our new found strength in numbers (30,000 members of SCCA) and our K & K liability insurance to help us secure event sites and attract out of town racers to our events. Change is inevitable and we should take advantage of these changes.

Speaking of events, it's getting to be that time of the year and the management would appreciate help in securing sites and dates. Contact A.R.E. Dale Dinsmore.

Summer is coming. Let's have some fun. Mark Richlen

MEETING PLACE

We are currently meeting at Cellar 301. They charge 15% gratuity on all food or drink ordered for the use of their room. If someone has a better idea bring it to the meeting. We would like to keep the meeting centrally located (downtown) if possible. If you know of a place check it out, find out the charge and if it is available on the first Thursday of every month. Finding a place without a charge would be ideal as long as it's quiet enough for a meeting.

SAFETY MEETING

The Safety meeting for certification of a safety person for Black Otter Hill Climb will be held on April 5, 1986 at Automotive Dynamics, 706 North 16th at 10:00 ish to 4:00. 10:00 ish means if you get there at 10:00 and nobody is there someone will be soon. The National SCCA Guys will be at this meeting and also be at the hill to check everything out.

SPRING WARM-UP AND DRIVING SCHOOL

On April 20, 1986 will be the Spring Warm-up and Driving School at the Lewistown Airport. Helpers would be appreciated by 8:00 A.M. Driving school at 9:00 with Dwight instructing and the Spring Warm-Up (racing) at 10:00 ish. Fees - SCCA members \$15.00 and non-members \$20.00. For directions call Dwight.

NEW MEMBERS

Welcome to Dave Eberts, 96 A West Antelope Tr., Blgs. 59105. Most people will recognize Dave as the driver of "Thunder Jug". Thunder Jug rides again.

Welcome to Scott Cranston, Box 233, Billings, Mt. 59105. Scott is a former SCCA member and a holder of a very necessary safety license. Welcome, welcome welcome Scott.

Add these names and addresses to your membership roster.
