## BILLINGS MOTORSPORTS PARK

The plum is ready to be picked, the Billings Motorsports Park (BMP) design and plan is complete. All we need is for the automotive enthusiast to raise \$150,000 and the completion of the track is slam dunk. If the auto enthusiast show there commitment, the rest of the citizens, especially the big money, will follow. If the auto enthusiast do not commit some of their personal money's and go out and sign up other Supporting Members and Winner Circle Members, we will never enjoy BMP.

I'm not sure a group of enthusiasts of any sport in any community have had the slam dunk opportunity that we have with BMP. It is the opportunity of a life time, but how about our children, the youth in our community. If we don't make this happen we will rob them of a chance to participate and observe auto sports first hand. We don't want the responsibility of failure, now is the time to act.

Don't wonder what your friend is contributing. Evaluate what it is worth to you and your family over the next ten years and make a financial contribution which is appropriate for ten years of clean, wholesome fun, so act now.

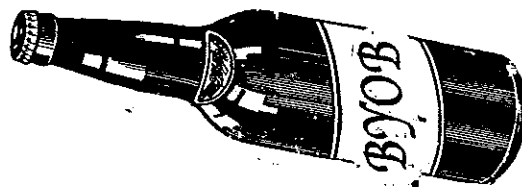

We have enclosed three brochures, one for you and two for friends. If you need more, call Dale Dinsmore at 1-406-256-2212 during the day, Bill Schaff 1-406-259-2071 or Bob Grummett at 1-406-322-4615 evenings.

## A JOB WELL DONE

A big thank you from the Yellowstone Region to this years R.E. Bob Grummett for his hard work and dedication. His ambition and new ideas got us going in a new direction with new members, a club trailer and the BMP. We would like to welcome Bill Schaff, who stepped up from secretary/treasure to take R.E. office in 1996.
