## NEW SITE FOR LATE SEPT.

We have a new site for late Sept. and early Oct. This is the ZSI Auto Sales/ Homes America lot next to the Reno Club on Underpass Ave. That is between Calhoun Lane & South Billings Blvd. Check for further info in this newsletter. As always be sure to check the web site for updates.

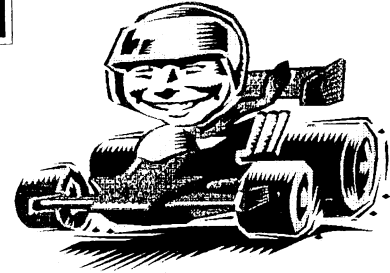

The Skyview event is scheduled for Monday, September 2. Registration is from 8:00 - 9:30. First car out by 10:00 A.M. If we are set up before then we will start runs before 10:00, so be there early.

Bozeman has a tentative event at Big Sky on Sunday - possible a Rally Cross. From what I understand it may be on dirt. Contact Marty or Joe before you head out. Also check their web site, address on back page.

## MEETING MINUTES

**EVERYONE WHO ATTENDED THE AUGUST MEETING WILL GET 3 YEARS OF FREE ENTRY FEES TO ALL EVENTS!!!** Don't we wish. We did not have a quorum so we couldn't pass it. Mark, Ken Ryan, Kurt & Char were the people who attended the meeting. Kristi came in after work about the time the meeting was adjourned. We did not do much except talk about different things happening in the club. John Warg has resigned as ARE, a great loss to our organization. But, Ryan Coler has stepped up to the plate and is looking forward to doing the ARE's job. He just ask that we give him some direction. Ryan will be an asset to our Board. We did have a treasurer's report, we have money. We even made a buck or two at the Metra event, not much, but we didn't loss any. The next meeting will be Sept 4th and we hope to see more of you there.

## From your RE

I like our website. While looking at photos of the Metra Park event I found some pictures of my TR (Triumph not Testa Rossa for those who don't know). I saved them and used one of them as wallpaper on my computer. Now if I could just figure out how to substitute those stupid Microsoft flying windows with flying TR's; now that would be way cool. Thank you Seana for all your work putting pictures of our events into electronic somewhere.

The BOD has met by the most informal of means and has approved the volunteering of Ryan Coler as the new ARE. Congrats to you and thank you for taking an interest in the operation of our club.

We could use a few people at the meeting on Sept. 4, can we spell quorum? I am sure we have some business to discuss. Just something to begin thinking about; we need a list of candidates for the October meeting with elections happening in November. The BOD needs to have a list ready for the October meeting and for publication in the November issue of the newsletter. Nominations from the floor are allowed at the November meeting.

### 2002 Black Otter Hillclimb

2002 Hillclimb was cool & windy - resulting in over-all slower times. It's scary when drivers talk about lack of grip on Black Otter not known for grip to start with. Usually the hill gets faster on Sunday afternoon. Enough rubber gets deposited on the surface to aid the grip saturation - not this year. The hill remained slick, bumpy & scary all week-end.

There were 5 new records set this year. One in a new class and four improved over their previous times - every other driver who posted previous times fell back - an indication of how slick the hill was - or how rough. Incidents were few - mostly minor - one resulted in a long trail of oil up the hill - causing a lengthy delay.

I would like to thank all who pitched in and helped run this event. Without these volunteers, Black Otter would fade away to a dream. and a special thanks to our tireless spectator - always cheerful and full of advice. See you in 2003 #38.

## July 28th Metra Event

The Metra event was great, the sun was out there was lots of shade, and plenty of runs. The course was very bumpy, it's not very good pavement, plus there were holes from the carnival ride tie downs, but other than that it was a fun event. Gordon, Marty and Norm came down from Bozeman. Marty's sister, Linda Milender, was visiting, so he talked her into racing her MX-6. She did okay for a first timer. Marty's Mom also came down, what a nice lady. It was good to see Bob Grummett again. Likewise Mike Moore, Rick Borsheim, and Paul Schulz (who just barely beat his Dad). To drive the distances these racers do, just for racing, takes dedication. Thanks for coming out. Thanks to all the local participants also. We had 32 competitors, plus 4 exhibition racers.

## FOR SALE

Datsun 510, old #71, looking for a new driver. \$1500. OBO - This car is fully race prepared, built by Dennis McCollough, and only driven by a little old man on Sundays. Call Bob Grummett 322-4615 for details.

VW Cabriolet, current GP Road Racing log book, VW Rabbit sedan, road racing log book; double axle single car trailer. All goes for \$5000. Call Kurt Schulz 259-2621 or 252-2426 for details.

## NEW AUTO CROSS SITE

The new site at the ZSI auto Sales/Home america lot on Underpass Ave will need a bit of work the day before we race. On Sept 21st we hope to see a few of you out there with shovels, weed eaters, & brooms so we can have the site ready for auto crossing. Also we will have to canvass the neighborhood like we do at Skyview and will need people for that.

We have three weekends in a row set up for autocrossing because the pavement is slated to be torn up and the site turned into mini storage units. Hence we need to utilize the time we have to the max. The site is owned by Cord Mitchell of Dent Works, 1420 Central Ave. As usual you need to check the web site for up dates on these three events.

THANK YOU  
Cord Mitchell

## SAFETY SAFETY SAFETY

Everyone needs to be reminded that once an event is finished, it is finished. You exit the event area like there was a policeman watching you. No racing to the exit or away from the event site. This is not a gumball rally!!! Racing away from the site is a good way to lose the site. Use some common sense and slow it down. Enuf said.

### Corvette Club Autocross - July 21st - Laurel

Interesting people, these Corvetters - fast cars, tight courses - loose & casual organization. Just get in line - run - go home at noon - we're a little more structured, but racing is racing - a good time was had by all.

I was told, by Steve Bravo, that they have held events in the past that suffered from poor turnout. I assured Steve that with notice we would be happy to help fill out their events - help wherever needed.
