Meeting Minutes: Yellowstone Region 108 - Sept Meeting

Yellowstone Region Meeting 9/5/07

Meeting was called to order by ARE Scott Cranston.
Treasurer's report was approved.

Scott stated Kurt Schulz has resigned as Regional Executive. Scott said we need to solicit nominations for all club officers: RE, ARE, Sec./Treas., Competition Chairman and Membership Chairman. Elections will be held at the November meeting.

J. Reuss will publish short versions of event stories in the newsletter with results and photos to be published on the website.

Scott would like to analyze and set entry fees well before the competition season begins. Scott also announced the next meeting (October) will be at the Godfather's Pizza, 504 24th Street West; 6:30 meeting time will remain the same.

J. offered to brainstorm the Region's PR, outreach to other clubs, and media. J. will present an outline at the October meeting.

Meeting adjourned.

Labor Day Racin' at Skyview

Gordy Gollehon brought his beautiful C4 Corvette convertible down from Bozeman to treat us to some truly "ground-pounding" runs. Gordy's car had recently been painted and with his huge racing tires, navigating the cones was clearly a challenge.

Jay Harris of Billings debuted a gorgeous 1999 SVT Cobra—also in red. Although the course was tight, the super-charged Mustang showed its potential.

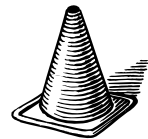

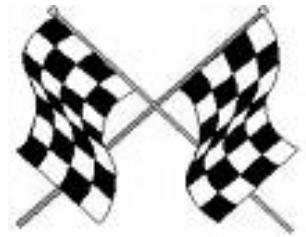

The last course of the season was laid out by Cooper S pilot

Chris Brewer. Although the first half of the course was relatively tight, Chris begrudgingly opened up the last half of the course so the bigger cars could stretch their legs.

Although the weather was on the warm side, everyone had a great time, and competition was fierce among the cars suited to the tighter course.

Dwight Gilliland broke in a new set of tires and as usual, took the fast time of the day.

Jake Brown put in a stellar performance and showed that he will be a force to be reckoned

with when he becomes a teenager. Nearly thirty cars made it a nice event. Check the website for pictures and results.

Call for Elections

With the resignation of Kurt Schultz and with Randy Roberts' decision to head back to school, many club offices now stand empty. Although new officers are not installed until the annual meeting in January, the club is attempting to hold the election as early as possible to hit the ground running in 2008.

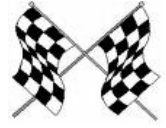

If you have the desire to run for office or to nominate a candidate, please attend the October meeting or e-mail your suggestions to any current officer or the Webmaster:

Don't forget, if you don't get involved, you forfeit your right to complain. Even if you don't have experience, we need you and "will train."

The Finish Line

At the beginning of 2008, the SCCA is launching its next tool in the recruitment box—the Weekend Membership Program. Non-members will be charged (no less than) \$15 more than SCCA members at rally or solo events to make them "Weekend Members." Weekend Members will be entitled to use \$30 of such payments towards full membership. \$5 from each payment will go to the SCCA who, in turn, will issue an invitation letter, an issue of *SportsCar*, a promotional brochure and provide a regional contact and schedule information to the Weekend Member. On an unrelated note,

you may have received an e-mail recently from the Webmaster inquiring as to whether you would like to remain on the club's e-mail list. Virtually everyone contacted wished to remain on the list to be kept informed of events and club news. However, some member's e-mail addresses have not been included membership information from SCCA. If you would like to be included in future e-mailings, send your address to any officer or the Webmaster.

From the Webmaster

Results and photos from the Labor Day Skyview event are posted online: www.yellowstonescca.com. I am updating the "Links" page and hope to have it up and running shortly. National SCCA has recently revised its website and updated links to its site are now available. If anyone has any vehicles for sale or items that would interest club members, e-mail your classified ad to the Webmaster.
